Just acquired ! *Extremely* rare and limited quantities of genuine antique cobblestones referred to as "**Napoleon Heads**". These over-sized cobbles from Europe, date back to the early 1800's and are the same type of cobblestones one can see at the Chateau De Fontainebleau in France. Unusual shape and color. Two available sizes, approximately:

8"x 8"x 8" or 12"x 12"x 12"

These unique reclaimed sandstone cobbles have a beautiful color range of warm earth tones, honey-blond and beige. Their enormous size is impressive ! If the height is taller than your installation allows, remember that Monarch Stone International can provide any of our imported antique cobblestones saw-cut at your request.

Supply limited !

We have only 16,000 square feet of these rare historic cobblestones!

Photos below show Napoleon Heads *dry*.....and *wet*, the colors emerge !
